

**CITY OF MEMPHIS – STANDARD CONSTRUCTION SPECIFICATIONS**  
**SECTION 01580 – PROJECT IDENTIFICATION**

**PART 1 – PROJECT SIGNS**

1.01 From the time that construction begins until the Project is completed, the Contractor shall provide a sign at each end of the Project, clearly visible to the public. The sign shall be constructed and shall provide project information as shown in the Design Standards. The sign shall be maintained in a suitable and acceptable condition, as determined by the Owner, for the duration for the project.

**END OF SECTION 01580**
